Verse 1

```
          G              G              C                  C
Let's celebrate the holidays with Christmas time and Easter too
          G              G          C          C
Have a creepy, crawly Halloween, down at the Calgary Zoo
     G              G              C        C
A huggy, wuggy, lovey, dovey Valentines to you
  Am                                D          C      G
These are the things that make a funky wunky wunderday
  Am                                D          C      G
These are the things that make a funky wunky wunderday
```

Verse 2

```
         G              G              C                  C
Let's have some fun & play all day in summer, spring and winter too
    G              G                   C            C
Camping, surfing, skiing, soccer are things friends love to do
 G            G       C                C            C
Let's go swimming, skipping, biking, shoot a target or two
  Am                                D          C      G
These are the things that make a funky wunky wunderday
  Am                                D          C      G
These are the things that make a funky wunky wunderday

Verse 3

```
          G            G              C                  C
Let's celebrate our wunder days with all our friends at school
          G              G                   C                C
 When recess comes we'll go outside and play games that totally rule
        G              G                C            C
Yeah we'll go running, skipping, jumping, man that'll be so cool
  Am                              D          C      G
These are the things that make a funky wunky wunderday
  Am                              D          C      G
These are the things that make a funky wunky wunderday
  Am                              D          C      G
These are the things that make a funky wunky wunderday
