Verse 1

**Let's celebrate the holidays with Christmas time and Easter too
Have a creepy, crawly Halloween, down at the Calgary Zoo
A huggy, wuggy, lovey, dovey Valentines to you
These are the things that make a funky wunky wunderday
These are the things that make a funky wunky wunderday**

Verse 2

**Let's have some fun & play all day in summer, spring and winter too
Camping, surfing, skiing, soccer are things friends love to do
Let's go swimming, skipping, biking, shoot a target or two
These are the things that make a funky wunky wunderday
These are the things that make a funky wunky wunderday**

Verse 3

**Let's celebrate our wunder days with all our friends at school
When recess comes we'll go outside and play games that totally rule
Yeah we'll go running, skipping, jumping, man that'll be so cool
These are the things that make a funky wunky wunderday
These are the things that make a funky wunky wunderday
These are the things that make a funky wunky wunderday**
