### Verse 1

Every Day when I go home  
I think I'm pretty lucky you know  
I've got a safe place where I can grow  
Making snow forts in the snow

### Chorus

It's a cool World  
It's a cool World  
It's a cool, cool WORLD!

### Verse 2

Everyday when I go to school  
My Grade three class, we really rule!  
I've got a safe place where I can grow  
Our great big bake sale raised some dough (\$)
