

The Low Down Environmental Blues

Written April 13, 2010 at Eugene Coste School by Cathy Thomsen's and Lila Dick's Grade 4 classes,
Molly Hamilton and Anthony Burbidge

Capo Fret 2

Verse 1

E7

If we want to save the planet

A7

There is so much we can do

E7

We can reuse plastic shopping bags

A7

We can compost food scraps too

Verse 2

E7

If we want to save the planet

A7

We can use cloth bags today

E7

We can all drive hybrid automobiles

A7

Turn the lights off when we are away!

Chorus 1

B7

Well if we do these things

A7

You know it's true

B7

We can save our planet from

A7

E7

The low down environmental blues

Verse 3

E7

If we want to save the planet

A7

Let's keep our oceans clean

E7

Don't dump oil and garbage in

A7

Think environmentally clean

Verse 4

E7

If we want to save the planet

A7

We can all plant beautiful trees

E7

Cause the trees give the world it's oxygen

A7

They make homes for the birds and bees

Chorus 2

B7

Well if we do these things

A7

You know it's true

B7

We can save our planet from

A7

E7

The low down environmental blues

Verse 5

E7

If we want to save the planet

A7

There is so much we can do

E7

We can recycle paper every day

A7

Cause recycling's our golden rule

Verse 6

E7

If we want to save the planet

A7

The change will start with us

E7

We can eat organic vegetables

A7

Ride our bicycles or take the bus!

Chorus 3

B7

If we do these things

A7

You know it's true

B7

We can save our planet from

A7

E7

The low down environmental blues

Chorus 4

B7

If we do these things

A7

You know it's true

B7

We can save our planet from

A7

E7

The low down environmental blues
