Verse 1

**We live in the land of the Great White North
With the polar bears and the Eskimos
From Newfoundland to the BC coast
Canada's the country that we love the most**

Chorus

**We're from Canada
We're from Canada
We're all Canadians, eh?
We're from Canada
We're from Canada
We're all Canadians, eh?**

Verse 2

We live in the land of the Great White North
With the buffalo moose and Canadian geese
Got the loonies and the toonies and the five great lakes
We eat maple syrup on our hot pancakes

Repeat Chorus

Verse 3

We live in a land that is oh so vast
With the furry little beavers so important to our past
Spring and summer and winter and fall
Canada's the country where we have it all

Repeat Chorus

Verse 4

Canada's a country that is oh so vast
Farming, fishing, forestry, oil and gas
We show our pride through hockey and lacrosse
We love Wayne Gretzky and Terry Fox

Repeat Chorus

Repeat Chorus
